## Announcement Regarding Approval of Operation of Proprietary Trading System

Osaka Digital Exchange Co., Ltd. (hereinafter ODX) announces ODX has received Approval of Operation of Proprietary Trading System (PTS) on 28<sup>th</sup> April, 2022.

Since ODX was established, we have been structuring business scheme, operational process, and IT infrastructures, aiming to launch PTS for equities and Venue for Security Token (ST). By this approval of operation of PTS, following completion of registration as Type 1 Financial Instruments Business Operator on 18<sup>th</sup> April, we have met the great milestones for starting our new business.

And we continue to discuss the rules, structures and practical businesses with related parties for launch of Venue for ST.
